

## Pharmaceutical Data Analyst – Jakarta, Indonesia

mClinica is a fast-growing impact-driven healthcare technology company, focused on advancing healthcare for hundreds of millions of people across Asia. We deliver Healthcare Market Access and Analytics services to Pharmaceutical Companies, NGOs and Public-Sector Institutions across 6 countries in Southeast Asia.

At mClinica, people who take initiative and ownership are rewarded with significant responsibility and opportunity to directly impact the business globally. We are now looking for a Pharmacy Data Analyst to support our growth across the region.

### Your tasks and responsibilities:

- Support the Data Science team and its stakeholders at all levels of the business to meet their reporting and data analytics needs including standard and ad-hoc reporting.
- Help acquire, build, maintain, filter, and “clean” data, specifically related to healthcare products data from various systems and sources.
- Maintain documentation of data flows and data extraction, transformation and loading processes.
- Assist the Data Science team in identifying gaps and/or opportunities in the data capture and tracking strategy.
- Create ad-hoc analysis on business needs.

### Your Profile

- Fresh graduate or with a maximum of 1-2 years experience of working with data.
- Possess strong analytical and quantitative skills.
- Possess exceptional eye for detail, equipped with common sense and strong professional work ethic.
- A drive to understand the relationships between data and business, draw conclusions and use critical thinking to validate/verify outputs.
- Ability to perform detailed data analysis (i.e. determine the structure, content, and quality of the data through examination of source system data and data samples).
- Proficient in MS Excel.
- Understanding of SQL as a data query language, Python or other programming language is a plus.

### What You Can Expect from Us

- **Significant career growth opportunities** in a fast-growing business
- **Challenging and diverse assignments** along with **direct responsibilities**.
- **Fun & casual working environment** in an international team.
- **Flat hierarchies** within a fresh, dynamic and highly motivated team.
- **Starting date:** as soon as possible.
