

## Product Manager – Full-time, Philippines

mClinica is a fast growing impact-driven healthcare technology company, focused on advancing healthcare for hundreds of millions of people across Asia. We help Governments and NGOs in emerging markets make informed health policy decisions by leveraging data and technology. At mClinica, we value people that take initiative and reward them with significant responsibility and the ability to directly impact our business globally. We are now looking for a top talent to be part of our Global Public Sector Team to support our work with Governments and NGOs

Your tasks and responsibilities are the following but not limited to :

- Translate product strategy into detailed configuration specifications and business analysis requirements
- Help design, document and maintain system processes, reporting and alerting requirements
- Scope and prioritize activities based on business and customer impact
- Gain a deep understanding of user experience, identify and fill product gaps and help generate new ideas that grow market share, improve user experience and drive growth
- Perform quality assurance
- Report on common sources of technical issues or questions and make recommendations to product team
- Constantly be on the lookout for ways to improve monitoring, discover issues and deliver better value to the user
- Work closely with engineering teams to deliver with quick time-to-market and optimal resources

### Your Profile

- At least 5 years previous experience in Business Analysis, Quality Assurance or Product Management
- A degree in IT / Computer Science or related is preferred
- Solid technical background with understanding and/or hands-on experience in mobile app development and web technologies
- Proven experience in eliciting requirements and testing
- Basic knowledge in generating process documentation
- Strong written and verbal communication skills including technical writing skills

### What You Can Expect from Us

- **Opportunity to solve complex and unique public health challenges and help mClinica have a significant positive impact on the health for hundreds of millions of people.**
- **Significant career growth opportunities in a fast-growing international business.**
- **Competitive compensation.**
- **Challenging and diverse international assignments along with direct responsibilities**
- **Fun & casual working environment.**
- **Starting date: As soon as possible.**
