

## Pharmacy Community Associate (Intern) – Kuala Lumpur, Malaysia

Do you have the passion to improve the pharmacy practice in Malaysia? Join the SwipeRx team now! We are looking for a motivated **Pharmacy Community Associate (Intern)** to join the SwipeRx team on a part-time basis. In this role, you have the opportunity to become a part of fast-growing health-tech startup mClinica, whose mission is to transform global health by building digital networks of pharmacies, physicians, and patients.

SwipeRx is a free mobile app that unifies pharmacy professionals from across the practice onto a global platform. It allows pharmacy professionals to communicate with their fellow colleagues, receive information regarding government policies and news, learn about public health initiatives, discover latest research opportunities, and gain Continuing Professional Development (CPD) units. Since launching in January 2017, SwipeRx has attracted over 110,000 users in Vietnam, Indonesia, Philippines, Cambodia, Malaysia, and Thailand.

### As the SwipeRx Community Pharmacy Associate, you are responsible for:

- Working closely with the Pharmacy Community Manager in Malaysia to help grow and develop the SwipeRx community of pharmacy professionals in Malaysia.
- Online community engagement: pharmaceutical content posting and SwipeRx community management.
- Offline community engagement: Identify offline events that SwipeRx can support.
- Assisting in shaping the mClinica brand identity through our blog and social media.
- Supporting the development of advertising creative.
- Other ad-hoc projects to engage the community with SwipeRx.
- Opportunity to see first-hand what it's like to work in a professional, creative environment while also building your resume and establishing valuable professional connections.

### Your profile:

- Healthcare background student/professional.
- Ability to expand the university pharmacy network.
- Ability to work independently, mobile, and primarily remote.
- Ability to spend 4 - 5 hours daily on tasks and flexibility to work on weekends.
- Existing relationship with associations and pharmacies is a plus.
- Easy to work with, flexible to changes, ability to turn around projects quickly.
- Passionate about helping and empowering others.

### What you can expect from us:

- Opportunity to help SwipeRx have a significant positive impact on the health for hundreds of millions of people.
- Significant career growth opportunities in a fast-growing business in South East Asia.
- Fun and casual working environment in an international team.
- Starting date: As soon as possible.

### Apply
